

11th December

The 'Triangular' is a team fencing competition fought annually between Aberystwyth University, Aberystwyth Town and ex-university students, the 'old-boys'. Teams compete for the magnificent Taylor Trophy, in memory of coach, friend and mentor to many, Munro Taylor. As part of the days activities the annual 'town v gown' competition is fought. There will be a fun competition in the afternoon.

TRIANGULAR 2010

Triangular 2010

11th December

Triangular

Teams of 3 people (plus sub) for each weapon (ideally mixed) fencing to 45 points.

Order of fencers to be assigned (including sub) prior to the start of the match (unless injury forces change).

Winning team decided by total hits scored across all three weapons (i.e. every hit counts). Entry for morning and afternoon event £5

Town Vs Gown

As above, but includes the result of novice teams

Afternoon Team Competition

Teams of 3 people (one foil, one epee & one sabre) fencing in poules.

Winning teams based on total victories. In the event of equal victories indicators will be used to decide the victor. Winning team, best team name & top individual performances will get to pick a prize from the fabulous Christmas present table!

Entry for afternoon event £3

Christmas Meal

All fencers are invited to the Christmas meal in the evening, this black tie event is being held at the Orangery. To book your place and select your meal options please
